

ELKHART LAKE VINTAGE FESTIVAL XXXI ®

ELVF

September 16 – 18, 2016

We will have two features for 2016. Formula Junior will be one of our feature Marques and Volvo who will also be hosting their Volvo National Meet.

Two great reasons to make the 2016 ELVF one of your must do events.

We will have the return of our special race series, “The Cup Races”. The Kimberly, Sheldon and Elkhart Lake Cup races are based on the original “Cup” races held from 1950-1952 on the roads around Elkhart Lake. These races have become very popular and 2016 will be the 7th year for the “Cup” races. Your grid position is based solely on times; not your class. This gives drivers the opportunity to race against cars they normally do not. It also guarantees close racing.

Registration begins Thursday afternoon. Friday is a practice day, with each group getting two sessions. That should give you ample seat time to get reacquainted with the longest and fastest road course in North America. The traditional one-hour enduro, sponsored by Jeff Porasik/Wells Fargo Advisors, benefiting Disabled American Veterans, will be held late Friday. This longstanding race always has a full grid of diverse cars. The Friday night “Welcome to the ELVF” party is a favorite tradition.

Saturday we have qualifying sessions and sprint races and the Volvo Feature Race. Sunday morning the group races begin. Mixed in throughout the day will be the “Cup” races and the featured Marque race. There is also lunchtime touring available to spectators and racecars on both Saturday and Sunday.

Saturday if your schedule permits, you may want to participate in the original Road Course Re-enactment. This will be a police escorted tour of the original public road race course, for race and street cars. The featured marque cars will lead the tour behind the police escort! This is open to the public. These roads are listed as a national historic monument. Along with Watkins Glen, these are the only two sets of roads to be listed as such. We have been doing the re-enactment tour for twenty-five years and it can attract up to one hundred cars. The cars finish the tour and are parked on part of the original street course in the heart of the Village of Elkhart Lake. This event is thoroughly enjoyed by the participants and the spectators.

Our Saturday evening banquet will be held at The Osthoff, which borders the original road course and overlooks Elkhart Lake. There will be a guest speaker at dinner.

“Gather on the Green” will be on the grounds of the Osthoff Resort. This is a

conours in a wonderful and relaxed setting. Last year we displayed over 125 cars and motorcycles. There was an eclectic group of cars, many of which were Pebble beach quality. For the past seven years everyone has listened live music while enjoying a cocktail and some conversation. The, by invitation only show, begins in the mid afternoon and ends when the banquet starts. If you would like to display one of your cars please contact us early with your interest. Don't wait until the last minute because space is limited. This has become a must do event.

The ELVF provides something for everyone both on and off the track. You cannot find a better value in vintage racing. More track time for the money! Put it on your calendar!
