

ELKHART LAKE VINTAGE FESTIVAL XXXIII ®

ELVF

Join the competitors from across the globe as VSCDA and Elkhart Lake Vintage Festival celebrates 33 years of racing at Road America and "The 60th Anniversary of Sprite", featuring Sprite/Midget and honoring Peter Egan. The rules are the same and so is the amazing amount of track time offered. The Cup races are back. These races have become very popular and 2018 will be the 9th year for the "Cup" races. Kimberly, Sheldon and Elkhart Lake Cup races are based on the original "Cup" races held from 1950-1952 on the roads around Elkhart Lake. Your grid position is based solely on times; not your class. This gives drivers the opportunity to race against cars they normally do not. It also guarantees close racing.

Registration begins Thursday afternoon. Friday is a practice day, with each group getting two sessions. That should give you ample seat time to get reacquainted with the longest and fastest road course in North America. The traditional one-hour enduro, sponsored by Jeff Porasik/Wells Fargo Advisors, benefiting Disabled American Veterans, will be held late Friday. This race always has a full grid of diverse cars. In the evening we look forward to seeing you at The Friday night "Welcome to the ELVF" party a long standing tradition.

Saturday we have qualifying sessions and sprint races. If your schedule permits, you may want to participate in the original Road Course Re-enactment. This will be a police escorted tour of the original public road race course, for race and street cars. The featured marque cars will lead the tour behind the police escort! This is open to the public. These roads are listed as a national historic monument. Along with Watkins Glen, these are the only two sets of roads to be listed as such. We have been doing the re-enactment tour for twenty-Six years and it can attract up to one hundred cars. The cars finish the tour and are parked on part of the original street course in the heart of the Village of Elkhart Lake. This event is thoroughly enjoyed by the participants and the spectators.

Our Saturday evening banquet will be held at The Osthoff, which borders the original road course and overlooks Elkhart Lake. Peter Egan will be the guest speaker at dinner. "Gather on the Green" will be on the grounds of the Osthoff Resort. This is a concours in a wonderful and relaxed setting. Last year we displayed over 135 cars and motorcycles. There was an eclectic group of cars, many of which were Pebble Beach quality. For the past nine years everyone has listened to live music while enjoying a cocktail and some conversation. The, by invitation only show, begins in the mid afternoon and ends when the banquet starts. If you would like to display one of your cars please contact us early with your interest. Don't wait until the last minute because space is limited. This has become a must do event

Sunday morning the group races begin. Mixed in throughout the day will be the "Cup" races and the Sprite Midget Feature race. There is also lunchtime touring available to spectators and racecars on both Saturday and Sunday.

The ELVF provides something for everyone both on and off the track. You cannot find a better value in vintage racing. More track time for the money! Put it on your calendar!
