

VSCDA REGISTRATION CANCELLATION & REFUND POLICY:

A full refund of an Event entry fee will be issued when requested prior to one week before at-track registration for that event opens. A partial refund (entry fee less \$50.00 service fee) will be issued when requested during the week prior to at-track registration opening. Alternately, a full credit of the entry fee, to be used for any Event during the current racing season or the following racing season, will be issued when requested prior to at-track registration opening.

No refunds or credits will be made once at-track registration opens. Credits not used by the end of the following racing season will be forfeited.

No credits or refunds will be issued for dinner tickets or specialty races once at-track registration opens unless such races or dinners are cancelled by the VSCDA, in which case a full refund or credit will be issued. Any questions regarding the Cancellation and Refund Policy should be directed to the VSCDA office.
